Provides remote on/off control of each output branch and multi-source inputs (PV, wind, AC, 12V, etc.) for power management flexibility. The Photovoltaic Micro-Station Energy Cabinet is a hybrid power ...

Our cabinets support IP55/IP65 and NEMA 3R/4X protection ratings, offering excellent resistance to water, dust, corrosion, and UV. Ideal for deployment in extreme environments such as deserts, ...

Custom-designed energy storage solutions for commercial and industrial businesses: Our systems are optimized for peak shaving, demand charge reduction, energy arbitrage, and backup power, ...

The Base Station Energy Cabinet is a fully enclosed, weather-resistant telecom energy cabinet designed to provide reliable power distribution and battery backup for outdoor communication networks.

An Outdoor Photovoltaic Energy Cabinet is a fully integrated, weatherproof power solution combining solar generation, lithium battery storage, inverter, and EMS in a single cabinet. It delivers clean, ...

One cabinet per site is sufficient thanks to ultra-high energy density and efficiency. The eMIMO architecture supports multiple input (grid, PV, genset) and output (12/24/48/57 V DC, 24/36/220 V ...

Off grid standby power supply: when the power supply of the power grid is interrupted, provide uninterrupted short-term power supply for important loads to reduce the economic losses caused by ...

The 120 kW automatic switching cabinet integrates STS-based control, protection, and monitoring functions to enable safe and automatic grid-connected and off-grid operation works with energy ...

Discover the Pole-Type Base Station Cabinet with integrated solar, wind energy, and lithium batteries. Designed for seamless installation and remote monitoring, this energy-efficient cabinet ensures ...

120kWh Communication Power Supply Cabinet for Photovoltaic Power Station

This heavy-duty enclosure securely houses a Stand By Power Supply and three (3) batteries along with equipment and cable required for fiber optic conversion and/or distribution.
