Does Columbia offer a lithium battery pack?

Columbia is partnering with Inventus Power, a global leader in the design and manufacture of advanced battery systems, and will be incorporating a lithium battery pack option in our Utilitruck products, beginning in the spring of 2022!

Who makes custom lithium-ion battery packs?

As a pioneer in future-ready power solutions, CMB is your trusted partner for custom lithium-ion battery packs. CMB's 21700 Li-ion battery packs offer advanced lithium-ion battery technology in compact and high-energy-density packaging. They provide superior power and longevity suitable for various applications.

Why do we supply bulk lithium-ion batteries?

Our strong network of partners enables us to supply bulk lithium-ion batteries with an internal emphasis on quality control and customer support. As a dependable lithium-ion battery supplier and battery pack manufacturer, we can deliver reliable energy storage solutions for any application.

Does Columbia have Lithium Power?

Columbia's customers have been interested in the prospect of lithium power for some time now, and after a process of testing and research, we have a very big announcement!

American-made lithium battery manufacturing with fully automated production. Custom battery packs for defense, medical, marine & industrial OEMs worldwide. Scalable solutions. Made in USA.

We specialize in custom lithium-ion designs and offer assemblies in all other chemistries. Aerospace & Defense batteries and battery packs are used for a variety of critical military applications ranging ...

Coulomb Solutions Inc. (CSI) announces new lithium battery-pack price reductions for Commercial EVs price reductions on its highly dependable CATL battery packs effective immediately, for customers ...

Voltaplex now offers complete Battery Energy Storage Systems (BESS), combining trusted LFP and NMC cell technology--including our long-life Voltaplex Life(TM) cells--with fully integrated, scalable ...

Browse our complete catalog of custom lithium battery packs and chargers. 12V-96V batteries, energy storage

Columbia Pack Lithium Battery Company

systems, and OEM solutions. American-made quality for defense, medical, marine & ...

Coulomb Solutions is the North American distributor for CATL's battery solutions for commercial vehicles. The planned battery pack factory will create 300 jobs, including in production, ...

CMB is a custom battery pack manufacturer delivering high-performance lithium solutions for demanding applications and extreme environments.

Columbia is partnering with Inventus Power, a global leader in the design and manufacture of advanced battery systems, and will be incorporating a lithium battery pack option in ...

CSI's new facility will produce world class battery packs, specifically designed, and optimized for US commercial vehicle applications. CSI will source the lithium-iron-phosphate (LFP) ...

The CSI battery packs come in a wide range of off-the-shelf configurations allowing for them to be used in commercial vehicles and battery energy storage system (BESS) applications.
