-----

Designed with a robust black frame, they are ideal for domestic, farm, garden office, and similar rooftop installations. The Longi 480W Hi-MO X10 Explorer Black Frame (LR7-54HVH 475~490M) solar panel ...

Upgrade your solar system with the Longi 480W Mono 54-Cell All Black panel. High efficiency, sleek design, and a 25-year warranty. Order now at Solen Energy.

The Longi LR5-54HIH 480W Solar Panel is a high-efficiency, high-performance solar energy solution, ideal for residential and commercial installations. Featuring advanced monocrystalline technology, it ...

Longi HiMO X10 Explorer Roof Solar Panel (500W, 490W, 485W, 480W) features HPBC 2.0 bifacial technology, maximizing energy generation with sunlight captured from both sides. The sleek black ...

Longi N-Type 480W Solar Panel 108 cells LR7-54HVH compact for residential rooftops. Monofacial with black frame and 23.5% efficiency, IP68 and system up to 1500 V DC for maximum reliability.

LONGi launched its mono-PERC modules in 2016, featuring integrated PERC technology on monocrystalline silicon and low light degradation, and its cell efficiency has increased from 21% to ...

LonGi 480W Solar Panel (LR5-66HPH 480~505M) This solar panel features a high efficiency rating of 21.5%, with a maximum module power output of 480W to 505W. It has a 25-year power warranty and ...

Half-cut cell technology is to cut the cell into two separate parts by mature infrared laser, hence halve the working current. The thermal loss on the ribbon will be remarkably reduced and the module's ...

Experience the benefits of renewable energy with LONGi Solar and its state-of-the-art LR7-54HVH-XXXM series. It represents the perfect blend of sustainability, performance and reliability to meet all ...

Discover the Longi 480W LR7-54HVH-480M solar panel, delivering high efficiency and reliable performance

# Photovoltaic panel LONGi 480w

for residential and commercial solar energy needs.
