How do I import goods from Seychelles?

Hire a licensed customs broker to assist with the import process. Ensure products meet local labeling and packaging requirements. File a customs declaration with the Seychelles Revenue Commission. Calculate and pay any applicable import duties and taxes. Coordinate with a logistics provider to transport goods to their final destination.

How to import restricted goods in Seychelles?

To import a restricted good, you need a permit from the Permit Section - Ministry of Finance. There is only one import licensing system in Seychelles, which applies to restricted items.

What are Seychelles' import and export regulations?

Traders engaging in import and export activities in Seychelles must remain vigilant regarding the regulations surrounding prohibited and restricted goods. The government has established a comprehensive list of items that are either banned from trade or subject to stringent controls.

What is a customs declaration in Seychelles?

First and foremost, prior to the arrival of goods, traders must prepare and submit the appropriate customs declaration to the Seychelles Revenue Commission (SRC). This declaration includes detailed information about the goods, including their value, quantity, origin, and intended use.
