Why should you buy linkbasic server cabinets in South Africa?

As an online seller in South Africa, showcasing Linkbasic server cabinets presents an opportunity to provide a dependable, high-quality, and adaptable solution that meets a wide range of business needs. Shop server cabinets in South Africa: standing, wall-mount, outdoor, and open racks from 2U-42U. Secure, durable, and delivered fast nationwide.

What equipment do you supply for a network cabinet?

For the internal configuration of network cabinets we supply switching- and routing hardware (for all networks). We also supply fibre equipment in the form of copper and fibre, active equipment and wireless routers, patch panels, network switches, wired network routers and managed switches.

What size server cabinets are available?

This equipment is manufactured according to international environmental standards for outdoor conditions, offering sealing effectiveness and moisture protection. Available sizes: 6U, 9U and 12U with depth varying from 300 - 500mm. We offer you tailor-made server cabinets custom-made to specific measurements.

What is the acconet 27U floor standing cabinet?

The Acconet 27U floor standing cabinet provides a secure and organised housing solution for standard 19-inch rack-mountable equipment. With a depth of 1000mm, it is suitable for accommodating network switches, servers, and other IT hardware. This model is supplied unassembled (flat-pack) for convenient transportation and on-site assembly.
